WORK EXPERIENCE

Kroger Streator, IL
Store Conditioner, Grocery Department Jun 06 – Aug 07

Stock all incoming product delivered to the store earlier in the day, sometimes helping to unload the truck if it wasn't complete soon after the start of my shift. Stock all back-stocked products that wouldn't fit on the shelf from the previous days' deliveries. Face/condition the store so that all products were brought to the front of the shelf and orderly for the customers. Store-wide customer support, though with a focus on the grocery department.

University of Illinois at Chicago – Campus Housing Administration Chicago, IL
Computer Operation Aide Sep 05 – Feb 06

IT support for the University of Illinois at Chicago campus housing administration. We maintained an on-site computer lab used by students as well as the computers used by the campus housing administration staff. Updating software/hardware, streamlining and centralizing support (via remote access), daily server back-ups, and searching for new useful software to be used by staff and students.

UIC Pavilion Chicago, IL
Usher Dec 05 – Mar 06

Main duty was customer service and safety. Some typical examples of work would include: showing customers where their seats were during an event, showing them where certain locations were around the stadium, and managing the ticket booths. Written reports were required of any incidents happening on the property. Other duties were performed as managers requested.

RELATED INFORMATION

- Very willing to take direction to learn new skills and techniques.
- Attentive to fine details.
- Beta tester for several commercial games (World of Warcraft, Earth and Beyond, Planetside, etc.)
